The formal Notice of the AGM is set out on pages 4 to 8 of this document. Explanatory notes on the business of this year's AGM and notes to the notice appear on pages 9 to 19 of this document.

The Board appreciates that the AGM is one of the key ways we communicate with you, our shareholders. It is an important opportunity for you to express your views by raising questions, voting and attending.

The Board strongly encourages all shareholders to participate in the business of the AGM by exercising their vote by appointing the chairman of the meeting as their proxy and providing voting instructions in advance of the AGM, in accordance with the instructions explained in the Notice of AGM, and to submit their voting instructions as soon as possible and no later than 11:00 a.m. (London time) on 16 May 2025. All valid proxy votes will be included in the poll to be taken at the AGM.

Voting at the AGM

To vote by proxy, you may complete the Form of Proxy and return it in the envelope provided to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY (**Computershare**) as soon as possible. Alternatively, you can vote online at www.investorcentre.co.uk/eproxy using the Control Number, your unique PIN and Shareholder Reference Number (SRN) printed on your Form of Proxy. Returning the Form of Proxy by post or registering your vote online will not prevent you from attending the AGM and voting in person should you so wish.

To be valid, the Form of Proxy or online voting instruction must be received by Computershare no later than 11:00 a.m. (London time) on 16 May 2025. CREST members may choose to use the CREST electronic proxy appointment service in accordance with the procedures set out in note 5 on pages 17 to 18.

The results of the poll vote at the AGM will be released to the market via the Regulatory News Service of the London Stock Exchange and published on the Company's website as soon as practicable after the conclusion of the AGM.

If you are an institutional investor, you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by

the Company's registrar. For further information regarding Proxymity, please go to <http://www.proxymity.io>. Your proxy must, in order to be considered valid, be lodged not later than 11:00 a.m. London time on 16 May 2025 (or, in the event of any adjournment of the AGM, not less than 48 hours (excluding non-working days) before the time fixed for the adjourned meeting). Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully if you intend to use Proxymity as you will be bound by them and they will govern the electronic appointment of your proxy.

Meeting Information and Questions

If any shareholders, duly appointed proxies or corporate representatives wish to ask any questions about the business of the AGM, they can raise the questions by joining the meeting or by submitting them to ir@gcap.ge in advance of the meeting. Responses will be provided directly or placed on Georgia Capital's website (<https://georgiacapital.ge/ir/shareholder-meetings>) where practicable in advance of the proxy voting deadline.

Recommendation

The Board believes that all the proposals set out in this Notice of AGM are in the best interests of the Company and shareholders as a whole and unanimously recommends that you vote in favour of all the resolutions, as the Directors intend to do in respect of their own beneficial holdings of ordinary shares in the Company of £0.01 each (each an **Ordinary Share**).

EXPLANATORY NOTES TO THE BUSINESS OF THE AGM

The notes on the following pages are given as explanations of the proposed resolutions.

Resolutions 1 to 12 are proposed as ordinary resolutions. This means that, for each of those resolutions to be passed, a simple majority of votes cast must be in favour of the resolutions.

Resolutions 13 to 17 are proposed as special resolutions. This means that, for each of those resolutions to be passed, not less than 75% of the votes cast must be in favour of the resolution.

Please note that a “vote withheld” (as it appears in the Form of Proxy) is not a vote in law and will not be counted in the calculation of the proportion of votes “for” or “against” a resolution.

Resolution 1: Annual Report and Accounts

The Annual Report is available on our website (<https://georgiacapital.ge>) and has been sent to shareholders, as requested. Further copies will be available at the AGM.

Resolution 2: Directors' Remuneration Report

The Company is required to ask shareholder approval for the Directors' Remuneration Report for the year ended 31 December 2024, excluding the part of the report which sets out the revised Directors' Remuneration Policy being put to shareholders pursuant to resolution 3. This ordinary resolution is advisory, in accordance with remuneration reporting rules, and, as such, it does not affect the actual remuneration paid to any director and the Company can still act according to the Directors' Remuneration Report as proposed if this resolution is not approved. The Directors' Remuneration Report is set out on pages 142 to 168 (excluding the summary of the Directors' Remuneration Policy on pages 158 to 168) of the 2024 Annual Report.

The Company's Auditor has audited those parts of the directors' remuneration report which are required to be audited and their report is issued in the Annual Report.

Resolution 3: Directors' Remuneration Policy

Resolution 3 invites shareholders to cast their binding vote on the new Directors' Remuneration Policy in the form set out on pages 158 to 168 of the Annual Report for the financial year ended 31 December 2024. The current remuneration policy which has been in force since 2022 AGM expires at the end of its fixed three-year term. If this resolution is passed, the Board will only be permitted to make remuneration payments in accordance with the approved policy. The Act requires the Company to obtain shareholder approval. The Directors' Remuneration Policy, if approved, will take effect immediately after the conclusion of the AGM. Provided it remains unchanged, the Remuneration Policy will be valid for up to three years without further shareholder approval being required.

Resolutions 4 to 8: Appointment and Re-appointment of Directors

In accordance with the provisions of the UK Corporate Governance Code all Directors should retire at the AGM and offer themselves for re-appointment.

The Nomination Committee identifies, evaluates and recommends candidates for appointment or re-appointment as Directors. The Nomination Committee and the Board keeps the balance of skills, experience, knowledge and independence of the Board under regular review and seeks to ensure an orderly succession of Directors.

The Nomination Committee has considered the complementary skills, expertise and other contributions individuals may make (including diversity considerations), brought by each Director now standing for appointment to the Board and believes that they each continue to be effective and demonstrate commitment to their roles, including commitment of time for the Board and Committee meetings and any other duties. The Board as a whole is content that each Non-Executive Director standing for appointment is independent in character and judgment in accordance with the criteria set out in the UK Corporate Governance Code and that there are no relationships or circumstances likely to affect that independence.

Accordingly, the Board recommends the re-appointment of each of the Directors.

Biographical details of each of the Directors standing for appointment or re-appointment, are as follows:

PwC LLP has also indicated that it is willing to continue as the Company's auditor.

Resolution 11: Authority to make political donations

Any political donations or expenditure regulated by the Act requires shareholder approval. It is not the Company's policy to make donations to political parties, independent election candidates or political organisations or to incur political expenditure. However, the scope of the definitions of political parties, independent election candidates, political organisations and political expenditure used within the Act are very wide. In particular, the definition of political organisations may extend to bodies such as those concerned with policy review, law reform, the representation of the business community and special interest groups such as those concerned with the environment, which the company and its subsidiaries might wish to support. As a result, the definitions may cover legitimate business activities which are not, in the ordinary sense, considered to be political donations or political expenditure. Such activities are not designed to support any political party or independent election candidate or to influence public support for any political party or independent election candidate.

The authority which the Board is requesting is a precautionary measure to ensure that the Company and its subsidiaries do not inadvertently commit a technical breach of the Act.

While shareholders are permitted to grant authority for up to four years, this authority will cover the period from the date resolution 11 is passed until the conclusion of the AGM in 2026, unless previously renewed, revoked or varied by the Company in a general meeting, in accordance with best practice. Any expenditure which may be incurred under authority of this resolution in excess of £2,000 per expenditure will be disclosed in next year's annual report.

The Company and its subsidiaries made no political donations and incurred no political expenditure during 2024.

Resolution 12: Directors' authority to allot shares

Paragraph a) of resolution 12 would give the Board the authority to allot shares and grant rights to subscribe for or convert any security into shares up to a nominal value of £125,725.54. This represents 12,572,554 Ordinary Shares, which is approximately one-third of the Company's current issued ordinary share capital as at 31 March 2025, being the latest practicable date prior to the publication of this Notice of AGM.

In accordance with the institutional guidelines issued by the Investment Association ("IA"), the IA will regard as a routine request to authorise the allotment of a further one-third of a company's issued share capital in connection with a pre-emptive offer. Paragraph b) of resolution 12 proposes that, in addition to the authority in paragraph a), the Board be granted the authority to allot further equity securities up to a nominal amount of £125,725.54. This represents 12,572,554 Ordinary Shares, which is approximately one-third of the Company's current issued ordinary share capital as at 31 March 2025, being the latest practicable date prior to the publication of this Notice of AGM.

The Board has no current plans to make use of this authority but wishes to ensure that the Company has maximum flexibility to respond to market developments and to enable allotments to take place in appropriate circumstances. The authority set out in this resolution will remain in force until the conclusion of the Company's AGM in 2026 or, if earlier, at the close of business on 20 August 2026 (being 15 months after the date of the forthcoming AGM) save that in each case the Company may, before the authority expires, make an offer or agreement which would or might require equity securities to be allotted, or rights to be granted, after this authority expires and the Directors may allot shares or grant rights to subscribe for or to convert any security into shares under any such offer or agreement as if the authority had not expired.

Resolution 12 reflects that the Board considers it appropriate to seek authorities in line with the IA Guidelines, which provide the Company with flexibility to respond to market developments and business opportunities as they arise.

The Company held 75,000 shares in treasury within the meaning of the Act as at 31 March 2025, being the latest practicable date prior to the publication of this Notice of AGM.

Resolution 13 and 14: Disapplication of Pre-emption rights (special resolutions)

Resolutions 13 and 14 would give the Board the authority to allot equity securities (or sell any equity securities which the Company holds in treasury) for cash without first offering them to existing shareholders in proportion to their existing holdings.

The authority set out in resolution 13 is limited to:

- a) allotments or sales in connection with pre-emptive offers and offers to holders of equity securities if required by the rights of those securities or as the Board otherwise considers necessary; or
- b) allotments of Ordinary Shares up to a maximum nominal amount of £18,877.70, representing 1,887,770 Ordinary Shares, which is approximately 5% of the Company's issued ordinary share capital as at 31 March 2025, being the latest practicable date prior to the publication of this Notice of AGM.

Resolution 14 is intended to give the Company flexibility to make non-pre-emptive issues of Ordinary Shares in connection with an acquisition or specified capital investment up to a maximum nominal amount of £18,877.70, representing 1,887,770 Ordinary Shares, which is approximately 5% of the Company's issued ordinary share capital as at 31 March 2025, being the latest practicable date prior to the publication of this Notice of AGM.

The Pre-Emption Group's Statement of Principles (the **Statement of Principles**) was revised in November 2022 to allow companies to seek authority for an issue of shares for cash otherwise than in connection with a pre-emptive offer to include: (i) an authority up to 10% of a company's issued share capital for use on an unrestricted basis; and (ii) an additional authority up to a further 10% of a company's issued share capital for use in connection with an acquisition or a specified capital investment announced contemporaneously with the issue, or that has taken place in the 12-month period preceding the announcement of the issue. In both cases, an additional authority of up to 2% may be sought for the purposes of making a follow-on offer.

However, at this time, the Directors consider it appropriate to retain the previous limits of 5% of the issued ordinary share capital of the Company in resolutions 13(b) and 14(a) and have not adopted the increased limits of 10% set out in the Pre-Emption Group's most recent Statement of Principles, nor do the resolutions specifically provide for follow-on offers. This is in line with the approach that the Company has taken in previous years. The Directors will keep emerging market practice under review but consider that the limits of 5% provide sufficient flexibility to the Company at present.

The Board confirms that it will not allot equity securities for cash, and/or sell treasury shares, on a non-pre-emptive basis pursuant to the authority in resolution 14 other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

In addition, the Board also confirms that it does not intend to allot equity securities for cash, and/or sell treasury shares, representing more than 7.5% of the Company's issued ordinary share capital in any rolling three-year period other than to existing shareholders, save as permitted in connection with an acquisition or specified capital investment as described above, unless shareholders have been notified and consulted in advance.

The authorities sought under resolutions 13 and 14 will expire at the conclusion of the Company's AGM in 2026 or if earlier, at the close of business on 20 August 2026, being 15 months after the date of the forthcoming AGM, but, in each case, prior to its expiry, the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and/or treasury shares to be sold) after the authority expires and the Board may allot equity securities (and/or sell treasury shares) under any such offer or agreement as if the authority had not expired.

The Board has no present intention to exercise the authority conferred by these resolutions. The authority sought by the Board in relation to resolutions 13 and 14 is a standard authority taken by most listed companies each year and is in line with institutional shareholder guidance.

Resolution 15: Authority to purchase Ordinary Shares (On-Market - special resolution)

Resolution 15 authorises the Company to make market purchases of up to 5,659,537 of its own Ordinary Shares, representing approximately 14.99% of the Company's issued ordinary share capital excluding treasury shares as at 31 March 2025, being the latest practicable date prior to the publication of this Notice of AGM. The resolution specifies the minimum and maximum prices at which the Ordinary Shares may be bought under this authority. The effect of this resolution is to renew and update the authority currently held by the Board to purchase up to 14.99% of the Company's issued ordinary share capital.

The authority set out in resolution 15 will remain in force until the conclusion of the Company's AGM in 2026 or if earlier, at the close of business on 20 June 2026, being 13 months after the date of the 2025 AGM (except in relation to any purchase of Ordinary Shares for which the contract was concluded before such date and which would or might be executed wholly or partly after such date). The Company is entitled to hold the Ordinary Shares as treasury shares, sell them for cash, cancel them or transfer them pursuant to an employee share plan.

If this authority was exercised the Directors would give careful consideration to gearing levels of the Company and its general financial position. Any purchases of Ordinary Shares would be by means of market purchases through the London Stock Exchange.

Resolution 16: Authority to purchase Ordinary Shares (Off-Market – special resolution)

The Company is seeking authority to enter into a contract(s) with certain financial intermediaries (**Dealers**) named in the form of contract (which will be made available for inspection: (i) at the Company's registered office for not less than 15 days ending with the date of the Annual General Meeting, and (ii) at the Annual General Meeting) (the **Contract**), for the purchase of up to an aggregate maximum amount of 13,214,396 Ordinary Shares (representing approximately 35% of the Company's Ordinary Share capital excluding treasury shares as at 31 March 2025, being the latest practicable date prior to the publication of this Notice of AGM). Any Ordinary Shares purchased from any of the Dealers under the terms of the Contract will constitute "off-market" purchases for the purposes of the Act.

Under the Act, the Company is only permitted to buy back its Ordinary Shares where it repurchases them for cash. Resolution 16, if approved, will give the Company flexibility to enter into a Contract, together with certain related back-to-back arrangements, with a Dealer, which when taken together will result in an outcome equivalent to that as if the Company were able to buy back its Ordinary Shares from shareholders with non-cash consideration. Should the Company decide to enter into a Contract with any Dealer(s), it will, at the same time, enter into a separate but related agreement with the relevant Dealer for the sale by the Company to the Dealer of certain Group assets for cash. The Dealer will then transfer those assets to the selling shareholders on-market in exchange for Ordinary Shares and the Company will then buy back those Ordinary Shares from the Dealer off-market for cash under the terms of the Contract.

As the Company is listed on the Equity Shares (Transition) segment, the Company is not currently bound by the super-equivalent share buyback rules which apply to companies with a single segment listing (including UK Listing Rule 9). As noted in the Company's shareholder circular published in connection with its transfer to a standard listing in 2023, one of the main reasons for the transfer was to give the Company greater flexibility to implement its 360-degree capital allocation framework through its standard listing, including through potentially meaningful share buybacks when shares are trading at a material discount to NAV. Resolution 16 seeks authority to buy back a maximum number of Ordinary Shares which represents approximately 35% of Ordinary Share capital precisely in order to give the board greater flexibility to implement future share buybacks.

The Company is also proposing resolution 16 to provide it with optionality for realisation of its investments thereby providing the Board a further opportunity to return value to shareholders. The Directors have no current intention of exercising the authority granted by resolution 16 but, as noted above, the authority does provide the flexibility to allow them to do so in the future should they deem it appropriate based on the prevailing market conditions. The authority would be exercised only if, after taking into account the value attributed to its assets and the share price of the Company, the Directors believe that to do so would be likely to promote the success of the Company for the benefit of its shareholders as a whole. The Directors would not be permitted to repurchase any of the Company's Ordinary Shares where to do so would be at a price in excess of the last published net asset value attributed to its Ordinary Shares (**NAV Price per Share**).

The proposed form of Contract provides, among other things, for a maximum number of Ordinary Shares to be purchased (which will be equal to or less than the maximum aggregate number of Ordinary Shares which may be purchased under the authority conferred by resolution 16) and a maximum price per share to be paid, which must be no more than the NAV Price per Share and more than the nominal price of £0.01 (**Price per Share**), plus an agreed market rate of commission payable to the Dealer and reimbursement of the Dealer's expenses. In addition, the form of Contract provides that the Dealer will purchase the Ordinary Shares from the Company's shareholders as principal.

Shareholders should note that even if resolution 16 is approved, there is no requirement or assurance that the Company or any Dealer(s) will enter into a Contract or that the Company will acquire any Ordinary Shares if one or more Contracts are entered into. There are no assurances that any number of Ordinary Shares will be repurchased or of the prices at which they might be repurchased (save with regard to the minimum and maximum prices that are provided for under the terms of the Contract). Any such repurchases could be made over the term of the authority granted by resolution 16, and it is not necessary that all of the Ordinary Shares to which the authority relates are repurchased at one time, or at all. Any repurchases would be subject to the requirements of the Act, and, for the avoidance of doubt, would be undertaken in compliance with the UK Listing Rules. The Company expects that any repurchase made pursuant to resolution 16 would be structured such that only Qualified Investors (as defined in the Prospectus Regulation, as applied in the UK) could participate.

The Company is entitled to hold any Ordinary Shares repurchased under resolution 16 as treasury shares, sell them for cash, cancel them or transfer them pursuant to an employee share plan.

The authority conferred by resolution 16 shall, unless varied, revoked or renewed prior to such time, expire no later than the conclusion of the Company's AGM in 2026, or, if earlier, the close of business on 20 June 2026, being 13 months after the date of the 2025 AGM (except in relation to any purchase of Ordinary Shares for which the Contract was concluded before such date and which would or might be executed wholly or partly after such date). The authority granted by resolution 16 will be in addition to the authority to make market purchases of Ordinary Shares under resolution 15.

Resolution 17: General Meetings (special resolution)

The Act requires traded companies (such as the Company) to call all general meetings on at least 21 clear days' notice unless shareholders have approved the calling of general meetings which are not annual general meetings on at least 14 clear days' notice. In order to give the Company such flexibility, Resolution 17 seeks such approval. This approval must be renewed at each AGM.

The 14 clear day notice period would therefore only be used in circumstances where the flexibility needed is merited by the business of the meeting (for example, because the business of the meeting is time sensitive) and is thought to be to the advantage of shareholders as a whole. If this authority is used, the Company would then expect to explain, in its next Annual Report, the reasons for taking such action.

RECOMMENDATION

The Directors consider that all of the resolutions being proposed at this year's AGM will promote the success of the Company and are in the best interests of shareholders as a whole and the Company. The Directors therefore unanimously recommend that you vote in favour of all the resolutions, as the Directors intend to do in respect of their own beneficial holdings of Ordinary Shares in the Company.

NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

1. Entitlement to Attend and Vote

Shareholders registered in the Register of Members of the Company as at 6:00pm (London time) on 16 May 2025 (or, in the event of any adjournment, on the date which is two days before the time of the adjourned meeting excluding non-working days) shall be entitled to attend or vote at the AGM in respect of the Ordinary Shares registered in their name at that time. Changes to entries on the Register of Members after 6:00 p.m. (London time) on 16 May 2025 will be disregarded in determining the rights of any person to attend or vote at the AGM.

2. Proxies

Members are entitled to appoint a proxy (who need not be a member of the Company) to exercise all or any of their rights to attend, speak and vote on their behalf at the AGM.

A member may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to different Ordinary Shares held by that member. Members who wish to appoint more than one proxy in respect of their holding may obtain additional Forms of Proxy by contacting the Company's Registrars, Computershare on +44 (0370) 702 0176 or may photocopy the Form of Proxy provided with this document indicating on each copy the name of the proxy appointed and the number of Ordinary Shares in respect of which that proxy is appointed. All Forms of Proxy should be returned together in the same envelope.

Completion of the Form of Proxy will not prevent a member from subsequently attending and voting at the AGM in person if they so wish. The Form of Proxy, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), must be received by post or (during normal business hours only) by hand at the offices of the Company's Registrars, Computershare Investor Services PLC (**Computershare**) at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom no later than 11:00 a.m. (London time) on 16 May 2025, being 48 hours before the time appointed for the holding of the AGM excluding non-working days.

Members may submit their proxies electronically at www.investorcentre.co.uk/eproxy using the Control Number, your unique PIN and Shareholder Reference Number (**SRN**) printed on your Form of Proxy.

3. Information Rights and Nominated Persons

Persons who have been nominated under section 146 of Act (a **Nominated Person**) to enjoy information rights do not have a right to vote or appoint a proxy at the AGM and the statements of the rights of members in relation to the appointment of proxies in note 2 above does not apply to Nominated Persons. The rights described in that note can only be exercised by members of the Company.

However, a Nominated Person may have the right (under an agreement with the member by whom they were nominated) to be appointed, or to have someone else appointed, as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise that right, they may have a right to give voting instructions to the registered shareholder under any such agreement.

4. Corporate Representatives

A corporate shareholder may appoint a person or persons to act as its representative(s) at the AGM. Each such representative may exercise (on behalf of the corporate shareholder) the same powers as the corporate shareholder could exercise if they were an individual shareholder in the Company, provided that they do not do so in relation to the same Ordinary Shares.

5. CREST Proxy Instructions

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 20 May 2025 and any adjournment thereof by following the procedures described in the CREST Manual. CREST Personal Members or other CREST Sponsored Members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider who will be able to take the appropriate action on their behalf.

For a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a **CREST Proxy Instruction**) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID Number 3RA50) no later than 11:00 a.m. (London time) on 16 May 2025. No message received through the CREST network after this time will be accepted. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The CREST Manual is available at www.euroclear.com/CREST.

CREST members and, where applicable, their CREST sponsors or voting service provider should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or Sponsored Member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company will treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

6. Proximity Voting

If you are an institutional investor, you may also be able to appoint a proxy electronically via the Proximity platform, a process which has been agreed by the Company and approved by the Company's registrar. For further information regarding Proximity, please go to <http://www.proximity.io>. Your proxy must, in order to be considered valid, be lodged not later than 11:00 a.m. London time on 16 May 2025 (or, in the event of any adjournment of the AGM, not less than 48 hours (excluding non-working days) before the time fixed for the adjourned meeting). Before you can appoint a proxy via this process you will need to have agreed to Proximity's associated terms and conditions. It is important that you read these carefully if you intend to use Proximity as you will be bound by them and they will govern the electronic appointment of your proxy.

7. Issued Share Capital and Total Voting Rights

Holders of Ordinary Shares are entitled to attend and vote at general meetings of the Company. Each Ordinary Share entitles the holder to one vote on a poll. As at 31 March 2025, being the last practicable date prior to the publication of this notice, the Company's issued share capital consisted of 37,830,419 Ordinary Shares and the Company held 75,000 Ordinary Shares in treasury within the meaning of the Act. Therefore, the total voting rights in the Company as at 31 March 2025 were 37,755,419.

8. Voting at the AGM

Each of the resolutions to be put to the AGM will be voted on by way of a poll and not by a show of hands. In this way, the voting preferences of all shareholders are taken into account not only those who are able to physically attend the AGM. The results of the poll will be notified to the market in the usual way and published on the Company's website after the meeting.

9. Publication of Audit Concerns

Under section 527 of the Act, the Company may be required by members meeting the threshold set out in that section to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act which they intend to raise at the AGM. The Company may not require the members requesting any such website

publication to pay its costs in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.

10. Questions

Any member attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or would involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.

11. Display Documents

Copies of the service contract for the Executive Director, the letters of appointment for the Non-Executive Directors and the Company's Articles of Association are available for inspection at the registered office of the Company during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted) and also at the place of the AGM from 10:30 a.m. (London time) on the day of the AGM until the conclusion thereof.

12. Information available on the website

A copy of this notice and other information required by section 311A of the Act can be found at <https://georgiacapital.ge>.

13. Electronic address

Please note that shareholders may not use any electronic address provided in this notice or any related documents (including the Form of Proxy) to communicate with the Company for any purpose other than those expressly stated.
